

A WHOLE NEW WORLD

9-11 OCT 2026
THE FERN, LONAVALA

“For we are God’s masterpiece. He has created us anew in
Christ Jesus, so we can do the good things he planned for
us long ago.”

EPHESIANS 2:10

GRACE FROM BEGINNING TO END

Zealous Camp 2026 will be anchored in the truth of Ephesians 2:10. This year's camp invites participants to pause, remember, and respond to the work of God in their lives.

It's easy to fall into the trap of believing we are self-made people trying to prove our worth. But the truth is that we are God's workmanship, lovingly made by Him.

Our efforts, discipline, or good intentions cannot remake who we are. It is in Christ by grace that we are made new.

And we are not saved into a life of passive faith, rather we are sent into the good works God has already prepared for us.

The heart of this theme is beyond self-improvement, self-expression, or moral performance. It is grace, from beginning to end.

GOD IS The worker	GOD IS The maker	GOD Raises the dead	GOD Prepares the work

MADE. RE-MADE. SENT.

The purpose of Zealous Camp 2026 is to help individuals and families see their lives through the lens of God's grace and workmanship.

Many people live with a fragmented sense of identity. Some feel defined by failure, family history, fear, comparison, achievement, wounds, or the expectations of others. Others may believe in Jesus but still live as though the Christian life depends mainly on their effort, consistency, or strength.

This camp will call the church back to the gospel: we are made by God, made alive in Christ, and made ready for good works through the power of the Spirit.

THE SPACE WE CREATE

Worship, teaching, reflection, age-appropriate discussion, family engagement, prayer, and practical response.

THE MOVEMENT WE WANT

From hearing the truth, to examining our lives before God, to responding in faith.

Every session and every group conversation is built to carry people from the truth they hear to the life they live.

BY THE END OF THESE THREE DAYS

-  **01** Participants see their lives as God's workmanship, made and re-made in Christ by grace, and therefore sent into the world with purpose.
- 02** They understand that good works are not an attempt to earn God's love, but the natural overflow of being made new in Him.
- 03** They leave with a renewed conviction that they are invited to partner with God's mission of redeeming and restoring humanity.. creating beauty, bringing goodness, serving faithfully, and walking in the specific good works He has prepared for them in their homes, workplaces, schools, relationships, church, and communities.

YOU DON'T HAVE TO ARRIVE PUT TOGETHER

Maybe you've been walking with Jesus for years. Maybe you're curious and unsure. ★
Maybe you're tired of carrying a version of yourself you can't keep up with.

Camp is for you either way. You don't have to be part of Zealous to come. Come with your church, come with a friend, come on your own. We'll make room.

For three days, we'll step out of the noise: worship, honest conversation, teaching that doesn't dodge the hard parts, long meals, late-night laughter, and space to breathe. And one idea underneath all of it.. that you are not a project to be fixed, but a masterpiece being made. Not by your effort. By His grace.

We look forward to hosting you.

Rest

Three days away from the scroll, the shift, the syllabus.

People

Friendships across churches, ages, and stories. All built over shared tables.

Leave knowing what you were made for, and where you're being sent.
